

## Product Change Notification

Current Date: 02-Dec-2015

## TE Connectivity

Product Change Notification: E-13-013898-C

PCN Date: 30-NOV-15

Customer: Newark Electronics ( 1327156 )

Location: Gaffney

Agreement: Agreement Unknown

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

## General Product Description:

FASTON, FASTIN-FASTON AND POSITIVE LOCK TERMINALS

## Description of Changes

In an effort to standardize raw material procurement policy on a global basis, TE Connectivity has completed a review of our current material standards for Brass connectors. This review has resulted in our decision to reduce the number of regional alloys and align our objectives at the global level by standardizing on C27400 alloy. Existing material certification will be supplied, by part number, upon request. Test data confirms no reduction in performance and is available upon request. Requests for this test documentation should be made to your local TE Connectivity Sales Engineer. TE Connectivity values your business and asks for your support as we move forward with this change.

## Reason for Cancellation:

It is duplicated with other ECR

## Part Number(s) being Modified:

Part Number	Part Discontinued per PCN	Customer Drawing	Customer Part Number	Alias Part Number(s)	Substitute Part Number	Substitute Alias Part Number(s)	Description Of Difference
<a href="#">1-160759-1</a>	NO						
<a href="#">154718-3</a>	NO
