

Global Change Notification (GCN)

Product Family	iPass	10731102
		GCN Number
Series	75577 & 75784 & 75586 & 75783	December 18, 2015
		Date Issued
Reason For Change	Manufacturing Process Change	
Change Description	The purpose of this letter is to inform you that Molex Chengdu will change the date code marking method from current ink printing to laser marking with auto machine for iPass series products. All validation is in process and we are expecting to complete the changeover action in the end of Apr 2016. This will improve our product's quality performance and traceability. We thank you for choosing Molex products. In case of any comments and questions, please feel free to contact us.
