

# End of Life Notification

**Issue Date:** February 19, 2015

**Subject:** TDK discontinues the C0603C0G1E\*030BF and C0603C0G1E\*030BG High Q Multilayer Ceramic Capacitor Series

**Dear Distributor Partner,**

Thank you for your business and continued interest in TDK's ceramic capacitors. This letter is to inform you that we are discontinuing the following list of non-profitable, under-utilized, and or non-standard ceramic capacitor products. In an attempt to meet today's stringent demands for ceramic capacitor suppliers, TDK feels this move will increase the health of its MLCC business group.

This discontinuation is effective immediately and began with a gradual phase out in April, 2014. Subsequently, the withdrawn products have not been available via TDK's website or price book since. All last time buy orders will be accepted until **May 29, 2015** and last shipments will be made by **August 31, 2015**.

TDK is committed to work closely with you to minimize any impact this may have on your products. After receiving this letter, please send an acknowledgement to your local TDK local salesperson by **March 31, 2015**. We apologize for any inconveniences caused by this discontinuation, but we do hope for your kind understanding and your cooperation.

## List of Affected Product:
