

Product Description:

LinkE™ undercabinet LED striplights are a great solution for new or T4 and T5 retrofit installation. With their simple plug and play linking feature, different lengths can be created to suit depending on kitchen cabinet or wardrobe lengths. Available in both 3000K and 4000K with separate interconnection leads to allow for connections between partitions, they provide a simple solution to suit lighting requirements.

Product Image:**Product Features:**

- Benefit from longer life and higher energy savings compared to traditional T4 & T5 fluorescent fittings
- Suitable for mounting under, in or above kitchen cabinets, shelves, display cabinets, bookcases etc
- Multiple interconnect options. Fittings can be used on their own, connected end to end or using interconnection leads
- On/off switch allows independent control of interconnected fittings
- Power and interconnection leads supplied separately for added customisation
- Supplied with mounting accessories
- 3 year warranty

10W Linkable Undercabinet T5 LED Striplight

Product Specs:

Technology	LED	Number of LEDs	70
