

EL1 Col LC Models

Large Multi-Coloured Lower Case Key White Keyboard

The EL1 keyboard has been designed for preschool and Key Stage 1 children, it has large, 1 inch square, colour coded, lower case keys, making it easier for children to use, but it still has the same foot print (size) as a standard keyboard.

- 63 Over-sized keys to make learning fun
- Colour Coded Keys to distinguish between Vowels, Consonants, Numbers, Punctuation marks and Cursor movement

Key colours :-

- Red - Numbers
- Green - Consonants
- Purple - Vowels
- Yellow - Punctuation
- Blue - Everything else
