Name: 14" Large MANTUS™

### **Slogan:**

Go Where No Tool Has Gone Before!

### **Short Description:**

Go where no tool has gone before! The Large MANTUS™ surpasses the reach of the industry's longest available needle nose pliers.

### **Long Descriptive Paragraph:**

The 14" Large MANTUS™ is the ultimate tool for accessing hard to reach areas. Surpassing the reach of the industry's longest available needle nose pliers with greater precision and control, the MANTUS™ provides a sure grip on a variety of surfaces including wires, hoses, gaskets, O-rings, fuses, hardware and more!

### **Features and Benefits:**

- 14" length
- Precise interlocking jaws for strong grip
- Durable, surgical stainless steel construction
- Slim-profile design for reaching tight access areas
- Extended length for greater versatility
