

MAGNESE Traveller DC Smart Part Charger 90w

Order Reference: MA-102910

Product Information:

The innovative and unique MAGNESE® In-Vehicle Smart-Part (Universal) Charger is built to mobilise the workforce, powering a wide range of laptops and mobile devices.

The “smart-part” cables provide safe power for 99% of all laptops. The high powered USB port charges all mobile phones and devices. With 90 watts of power it is probably one of the most compact chargers available today.

Proving very popular with field-forces everywhere, selection of a smart-part cable for each laptop manufacturer provides the ultimate flexibility and cost savings.
