

WELCOME TO PRIORITY DRIVING

EASY, RELIABLE NAVIGATION

Essential navigation with free Lifetime Maps.

Our START sat navs offer essential navigation and free Lifetime map updates. Finding destinations is simple from the Search menu or by touching a point on the map. Advanced Lane guidance helps you prepare for exits and intersections by clearly highlighting the correct driving lane for your planned route. Available in 4.3, 5 or 6 inch touchscreen.

LIFETIME MAPS

Download free map updates with the latest road changes, for the life of your device.

3 MONTHS SPEED CAMERAS*

Advance warnings on your sat nav notify you when you're approaching a speed camera.

ADVANCED LANE GUIDANCE

Your sat nav clearly highlights the correct driving lane when needed.

*Real-time updates are only available to devices with active real-time services (e.g. LIVE or TomTom Traffic). Other devices can download fixed speed camera updates via MyDrive Connect or TomTom HOME.

FEATURES

Lifetime Maps: Make sure you have the latest maps by connecting your sat nav to your PC. We issue new maps seasonally – which include road changes and revised speed limits. Get these updates for free, for the life of your device.

3 Months Speed Cameras: Advance warnings on your sat nav notify you when you're approaching a speed camera, and remind you of the required speed limit. You can download updated camera locations for 3 months, at no extra cost, by regularly connecting to your computer.

Advanced Lane Guidance: Your sat nav helps you prepare for exits and intersections by clearly highlighting the best driving lane for your planned route. So you'll never miss a turn or have to make sudden lane crossings.

Free software updates: Our sat navs are constantly evolving. By regularly connecting your sat nav to your computer, you can download our free software updates. You'll get new navigation features, improved performance and extra customisation options. In just a few minutes.

Screen size: 4,3", 5" or 6"

Reversible Integrated Mount:
