

**WELCOME TO PRIORITY DRIVING**

# SMARTER AND FASTER THAN EVER

**Our smartest sat navs with all Lifetime TomTom Services.**

Smarter, faster, better connected sat navs. Wi-Fi connectivity lets you update without a computer. Voice controlled hands-free calling and smartphone messages offer connectivity with safety. Free lifetime maps, traffic and speed camera updates are all included - even get alerts for average speed zones. Available in 5 or 6-inch screen sizes.

**Screen size and type**

Available in 5 or 6-inch fully interactive screen.

**Lifetime World Maps**

Get maps from around the world. Update them for free.

**Lifetime Speed Cameras**

Advance warning alerts for upcoming speed cameras.

**Lifetime TomTom Traffic**

Get intelligent routes that avoid traffic in real-time.

**TomTom Services via Smartphone**

Activate live services like traffic by connecting to your smartphone.

**Hands-free calling**

Designed to deliver high-quality, hands-free calling.

**Updates via Wi-Fi®**

Keep your TomTom GO updated via Wi-Fi. No computer needed.

**Smartphone Messages**

Your TomTom GO is smart enough to read out messages from your phone.

**Compatible with Siri and Google Now™**

Activate Siri or Google Now™ through your TomTom GO.

## FEATURES

**Lifetime World Maps** - Download and update maps from around the world at no extra cost for the life of your TomTom GO.

**Lifetime Speed Cameras** - Get regular updates on fixed, mobile and average speed cameras, free for the lifetime of your TomTom GO.

**Lifetime TomTom Traffic** - Insanely accurate traffic information enables your TomTom GO to intelligently plan routes around traffic.

**TomTom Services via Smartphone** - Activate live services like traffic by connecting to your smartphone via the TomTom MyDrive app.

**TomTom MyDrive** - Plan routes, check live traffic and save favourites from your smartphone, tablet or PC.

**Hands-free calling** - Your TomTom GO is designed to deliver high-quality, hands-free calls in the car. Simply connect your phone and go.

**NEW: Destination prediction** - Your TomTom GO can learn your driving habits and predict destinations, getting you on the road faster.

**NEW: Updates via Wi-Fi** - Get the latest maps and software for your TomTom GO via built-in Wi-Fi. No computer needed.

We recommend to use a Wi-Fi network with a download speed of at least 30 MB/S, especially when updating maps which can be large downloads.

**NEW: Smartphone Messages** - Your TomTom GO can read out messages from your phone with your hands on the wheel and your eyes on the road. To find out which messaging apps are supported visit: [tomtom.com/connect](http://tomtom.com/connect)

**NEW: Compatible with Siri and Google Now™** - Activate and talk to Siri or Google Now™ by tapping a button and using the microphone on your TomTom GO.

**Active magnetic mount** - The unique magnetic mount is so easy to use you'll never risk leaving your TomTom behind - it's hassle free.

**Fully Interactive Screen** - Pinch, zoom or swipe TomTom GO's interactive screen. Tap the map, route or icons for shortcuts to key features.

**Voice Control** - Control your TomTom GO with your voice, so you can focus on driving. Say "Hello TomTom" to begin.

**Advanced Lane Guidance** - Your sat nav clearly highlights the correct driving lane when needed.

**Quick Search** - Your sat nav shows you lists of destinations as soon as you start typing

## MAP COVERAGE

**Installed Maps of Europe:** AD, AT, BE, BG, CH, CY, CZ, DE, DK, EE, ES, FI, FR, GB, GI, GR, HR, HU, IE, IT, IS, LI, LT, LU, LV, MC, MD, ME, MT, NL, NO, PL, PT, RO, RS, RU, SE, SI, SK, SM, TR, UA, VA, XK

**Connecting Roads:** AL, BA, BY, MK

World maps also include Africa, Latin America, Australia, New Zealand, Southeast Asia, North America, Canada & Mexico.

You can install these maps by connecting to a Wi-Fi network and downloading them to your device. No computer needed. Simply go to Settings on your device, connect to a Wi-Fi network, then tap Maps. You will receive free map updates for all of your maps, for the lifetime of your device.

### What does lifetime mean?

Lifetime is the useful life of the device, which means the period of time that TomTom continues to support your device with software updates, services, content or accessories. A device will have reached the end of its life when none of these are available any more. Lifetime Services can only be used on the device they have been purchased with and cannot be transferred to another TomTom device or app.

## SPEED CAMERAS COVERAGE

AD, AT, BE, BG, CZ, DE, DK, EE, ES, FI, FR, GI, GR, HR, HU, IE, IT, LT, LU, MC, MT, NL, NO, PL, PT, RO, RS, RU, SE, SI, SK, SM, UA, UK, VA

## TOMTOM TRAFFIC COVERAGE

AD, AT, BE, CH, CZ, DE, DK, ES, FI, FR, GB, GI, GR, HU, IE, IT, LI, LU, MC, MT, NL, NO, PL, PT, SE, SM, TR, VA.
