

Get the most out of your driving time

TomTom Trucker helps you to get the most out of your driving time, through truck specific routing and world-class TomTom Traffic information.

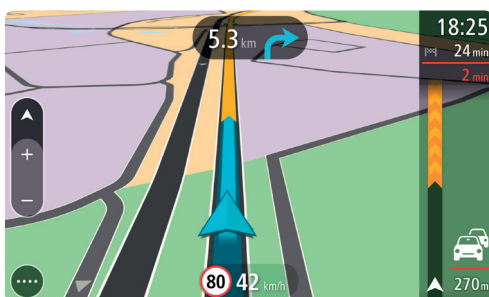

Drive on the right road

Get customised routes for your specific vehicle type, size, weight, cargo and speed.

Know your arrival time

Get a realistic estimated time of arrival based on your vehicle profile and real-time traffic information.

Know about traffic and speed cameras on your route

See traffic jam information and speed camera alerts in your route bar, so you can slow down in time.

Always drive with the latest truck map

Avoid unnecessary surprises by receiving an updated map 4 times a year.

Highlights

- **Lifetime Truck Maps** - Always drive with the latest truck map at no extra cost.
- **Truck Routing** - Truck-specific routing based on size, weight, cargo and speed.
- **TomTom Traffic for 1 Year** - Receive TomTom Traffic across Europe with unlimited data and roaming at no extra cost for one year. Thereafter TomTom Traffic can be purchased via tomtom.com.
- **6" Fully Interactive Screen** - Simply pinch, zoom and swipe the interactive map to explore more of the world around you.
- **Click & Go Mount** - Dock and undock your device easily with the unique magnetic mount.

Features

- **TomTom Speed Cameras for 1 Year** - Drive with speed camera alerts in 36 countries across Europe for 1 year. Thereafter TomTom Speed Cameras can be purchased via tomtom.com. In France, this service only includes danger zone alerts.
- **Advanced Lane Guidance** - Clearly see which lane to take at key junctions.
- **Community POI** - Easily load your favourite POIs on your device.
- **Speak & Go** - Control your device with your voice.
- **Quick Search** - Find your destination faster with intuitive search results. Quick Search starts to find your destination as soon you start typing.
- **Tap & Go** - Tap on your favourite destination and you are on your way.
- **Online Search** - Search online to get even more Points of Interest.
- **Route Bar** - See essential traffic and travel information at a glance.
- **3D Maps** - See buildings and landmarks in stunning 3D, so you'll always know exactly where you are.
- **Spoken Street Names** - Helping you to keep your eyes on the road, spoken instructions now include street names, to make turnings even clearer.
- **Free Updates** - Get innovative new features in our regular updates.
- **TomTom MyDrive** - Easily import community POI's to your TomTom Trucker from smartphone, tablet or PC.
- **My Places** - See your favourite locations on the map.
- **My Routes** - Store and access your favourite routes on your device.

To activate your Lifetime Maps, you will simply have to connect your device to an internet-enabled PC and create a MyTomTom account to register. This will enable you to access all the map updates included in the Lifetime Maps service. www.tomtom.com/lifetimemaps

What does lifetime mean?

Lifetime is the useful life of the device, which means the period of time that TomTom continues to support your device with software updates, services, content or accessories. A device will have reached the end of its life when none of these are available any more.

Lifetime Services can only be used on the device they have been purchased with and cannot be transferred to another TomTom device or app.
