

Notification of Product Discontinuation

Notification Number: AVE-16-12

Notification Date: 12/28/2016

Product Description:

26700-202 0.3 MP Analog Digital Microscope

Product Replacement:

No direct replacement – please consider the Aven 26700-209 Mighty Scope 5MP USB Digital Microscope or the Aven 26700-400 Cyclops for customers seeking a digital scope alternative.

Reason for Discontinuation:

Aven continues to develop new Digital Microscope Products (see new CYCLOPS HDMI – P/N 26700-401) that advance with the needs of our customers.

This product, along with others, has made this Analog Scope less in demand.

Last Ship Date:

As of 12/28/2016, 0 individual units remain. Orders will not be accepted from this date forward.

Aven Contact:

Please contact your Aven Sales Rep or Aven Customer Service for additional information – 734-973-0099 x 207 or info@aventools.com
