

ALLSOP®

05600 MULTIMEDIA LENS CLEANER

CD, DVD AND GAME CONSOLE LASER LENS CLEANER

- The 8 micro-fine brushes are positioned to sweep the full laser lens dome, as the cleaning disc rotates.
- Thorough and reliable cleaning, without the risk of damage to the sensitive, coated laser lens.
- Prevents skipping and improves sound and picture reproduction.
- Suitable for computer drives, game consoles, DVD and CD players.
