Mini-Com® Classic Series Faceplates

specifications
Classic series faceplates shall be available in 1, 2, 3, 4, and 6-port single gang for vertical applications and 2 and 4-port single gang for horizontal applications. Classic series faceplates shall accept all Mini-Com® Modules for UTP, STP, fiber-optic, and audio/video applications. Faceplates shall be available in a flush or sloped design, and available with or without labels. Sloped design shall increase wall depth to improve the bend radius control.

technical information
Mounting options: Screw holes with retention tabs, spaced for single gang openings; compatible with Panduit wall board adapter
Packaging: Supplied with two 1” long, #6 – 32 slotted head screws; select styles include labels and label covers; faceplates without labels include matching mounting screws to match the faceplate; faceplates packaged one per bag, ten per box

key features and benefits
Modular Accepts all Mini-Com® Modules which snap in and out for easy moves, adds, and changes
Identification Choice of adhesive labeling or dedicated label pocket for easy identification
Various port densities Provides design flexibility
Sloped design Allows proper bend radius control
Icon slots Provide data and voice identification on select faceplates

applications
Mini-Com® Classic Series Faceplates mount to any standard size single gang junction box and can also mount to a wallboard adapter or raceway mounting brackets. When using classic series faceplates with Panduit surface raceway, color matching is guaranteed. Classic series faceplates with label and label cover offer a quick and easy way to identify the ports. Mounting screw colors match the faceplate for a clean, consistent look. Dedicated sloped faceplates provide additional room for bend radius control to help comply with standards. Select sloped faceplates include icon slots to help identify the connection.

Vertical Sloped Faceplates
2-port (with labels): CFPFL2IW*Y
4-port (with labels): CFPFL4IW*Y
6-port (with labels): CFPFL6IW*Y

Label Options for Vertical Sloped Faceplates
Laser/ink jet: C195X040Y1J
Panther™ LS8E: C195X040Y1C

Vertical Faceplates with Labels
2-port (with labels): CFP1IW*
3-port (with labels): CFP3IW*
4-port (with labels): CFP4IW*

Vertical Faceplates Without Labels
1-port: CFP1IW*
2-port: CFP2IW*
4-port: CFP4IW*

Horizontal Faceplates
2-port: CFPHS2IW*
4-port: CFPHS4IW*

Label Options for Vertical Faceplates Without Labels and Horizontal Faceplates
Laser/ink jet 1-port: C061X030FJJ
2-port, 4-port vertical: C125X030FJJ
