Date: 3/01/2017

PRODUCT CHANGE NOTIFICATION

Reactions to this notification are to be addressed to Mallory Sonalert Sales Representative or Quality Control

PRODUCT / MODEL CHANGE

SC616WY / SC616WYR / SC616WYR / SC616WXY / SC616WXYR

CHANGE DESCRIPTION

There has been a design change to listed alarm models above.

REASON FOR CHANGE

Reason being is because of component obsolescence

CHANGE OF FIT / FORM / FUNCTION?

There is no changes to FIT or FORM for these new alarm models. But, the new parts are approximately 3 dB softer at higher voltages and the sound timbre is somewhat different in its tone. It is recommended that new samples are tested in applications.

DISPOSITION OF OLD PRODUCT

Acceptable to use up current stock as is.

ESTIMATED CODE DATE OF EFFECTED PRODUCT
