TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

**General Product Description:**

Micro timer tab 1.6x0.6

**Description of Changes**

New production tool in our manufacturing location Woert, Germany.

**Reason for Changes:**

Product improvement. Dear Customer, to ensure the quality level as well as the supply also in future we would like to inform you with this PCN about introducing a new production tool at our TE manufacturing location in Woert, Germany. The evaluation of new tool is executed by following a strict procedure, which guarantees no negative influence on quality, ability to supply and form-fit-function of the concerned products. Manufacturing location is under a certified quality management system according the standard automotive requirements. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees the performance.
