

Duo book case for Samsung Galaxy S8

SKU: TEBOOKDUOSA8K

Smartphone case with removable, magnetic back for Samsung Galaxy S8

This cover is a three-in-one, meaning that whatever you need is always close at hand. The Duo book case consists of the cover, a wrap around protector and magnetic pocket wallet closing mechanism.

The magnetic closing device ensures maximum protection for your device when it is in a pocket; it also features a credit card wallet.

You may use the cover on its own, without the folding case, by detaching it from the inner membrane of the unit. In either case, there is always an unobstructed aperture for the iPhone camera, letting you capture any one off pictures.

Features:

- Removable cover with a magnetic back

- Book case with space for 3 credit cards and money compartment

- Closes with a magnetic clip
