

## TS212<sub>COVER</sub>

### Padded slip-on cover for the Truesonic TS212 / TS212W

---

Defend your TRUESONIC TS212 or TS212W against the inevitable bumps, scratches and dents that come from constant transport. This durable, padded speaker cover is tailored specifically for the TS212 / TS212W. It slips on easily and thanks to the bottom strap, stays in place regardless of orientation, making it ready to endure the tortures of travel. Top and side cutouts give you easy access to the speaker's handles, so it's not only protected, but also easy to carry.
