

8003 B Zyklop Metal Ratchet with push-through square and 3/8" drive, 3/8 inch x 222.0 mm with push-through square and 3/8" drive

EAN	4013288174031	Dimension:	305x50x28 mm
Code:	05004033001	Weight:	334,06 g
Article-No.		Country of origin:	CZ
		Customs tariff no.:	82041100

- Extremely slim ratchet with long lever
- Very robust without any restrictions on torque
- Return angle of only 4.7°
- Absolutely smooth switchover of the non-detachable push-through square
- Secure socket locking

Zyklop Metal ratchet with push-through square. Slim design for work in even very confined spaces. The dual ratchet teeth design makes a 76 fine-pitched toothing out of 38 robust teeth that allows a return angle of only 4.7°. Very simple direction change by actuating the non-detachable push-through square; for the first time also with secure socket locking function. Forged, full metal ratchet (chrome-molybdenum steel) for particularly high robustness and long service life.
