TE Connectivity

Product Change Notification: P-17-014366

PCN Date: 05-MAY-17

Customer: Newark Electronics (1327156)　　**Location:** Gaffney　　**Agreement:** Agreement Unknown

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

Mini Universal Mate-N-Lok

Description of Changes

Manufacturing location change. Following Part Numbers will be manufactured in both locations. Mexico and TE Lickdale USA. Additional Assembly Machine added that can produce part numbers the same. Refer to PCN P-17-014294.

Reason for Changes:

Dear Customer, as a result of our continuous strive for improving our processes, we hereby inform you about a additional location of tools and processes. The addition is executed by following a strict start-up procedure, which guarantees no negative influence on quality, ability to supply and form-fit-function of the concerned products. The new manufacturing location is under a certified quality management system according the standard industry requirements. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees the performance.
