

7440 VDE Kraftform adjustable torque handle, 9 mm Hex, 0,3 - 3,5 Nm
Kraftform adjustable torque handle

EAN	4013288179111	Dimension:	200x70x40 mm
Code:	05074752001	Weight:	220 g
Article-No.		Country of origin:	CZ
		Customs tariff no.:	82054000

- Adjustable Kraftform VDE torque holder
- Adjustable torque from 0.3-1.2
- Distinct audible and perceivable excess load signal when the pre-set torque value is reached
- Suitable for Kraftform Kompakt VDE blades
- Rapid exchange of the interchangeable blades

Torque VDE holder for safe work up to 1,000 volts. Adjustable torque value from 0.3-1.2 Nm. Distinct audible and perceivable excess load signal when the pre-set torque value is reached. Unlimited manual loosening torque. For Kraftform Kompakt VDE blades: the handle/interchangeable blade system allows a rapid exchange of the blade and thereby diverse applications.
