Product Obsolescence Information:

The purpose of this addendum is to reflect the new FL-L family Marketing Part Numbers that have been added as replacements.

Cypress announced the obsolescence of select NOR Flash products from its portfolio following an internal review and business decision to discontinue support. The affected part numbers are listed in the attached 'Affected Parts List' file. Last Time Buy (LTB) and Last Time Ship (LTS) dates are unchanged for each product. The LTB date denotes the last day on which orders will be accepted; these orders may be scheduled for shipment through the LTS date provided.

The parts listed as the "Drop-In Replacement" are form, fit, and core functionality compatible. The parts listed as the "Next Best Alternative" are the recommended replacements that may have some features or functions that are different and may require board re-design.

Two Application Notes are attached with this notice to assist customers for migration from FL-1K and FL-P products to FL-L products.

Part Numbers Affected: 351

Please see the attached 'Affected Parts List' file for a list of affected part numbers, Last Time Buy dates and Last Time Ship dates.
