

Customer Product/Process Change Notification

PCN # TPS17042101_OBS

Issued Date: 3/9/2017

Issued By: Chris Capozzoli

Author: Chris Capozzoli

Change affects whole product family? Some

Part #'s affected (See attached if entire product family is affected)

See "Parts List" tab

Description of Changes:

Dialight is migrating manufacturing locations and as a result will discontinue production of the several lighting components product.

Reasons for Changes:

Low demand and/or components no longer available.

Properties of Old vs. Changed Product:

No long term replacement will be made available.

Disposition of Old Product:

For those products that can be build, a last time by order must be received by March 15.

Expected Implementation Date: 4/15/2017

Customer Feedback Expected by: 3/1/2017

Additional Comments: (Include Potential Risks if Appropriate)

Supporting Qualification Data:

Approved By:

(Minimum of three approvals are required.)

Vice President of Operations: Dennis Geary

Vice President of Sales OED/Signals: Matt Boudiette

Director of Customer Service: Kathy Smith

Vice President of Marketing: Michael Schratz

Director of Quality: Angel Escamilla
