Product Details

The Master Lock No. 5441EURD Bluetooth Select Access® Smart is the perfect solution to share access to your keys : Stop hiding your keys under the doormat or under a flower pot. Open and manage your Select Access Smart with your smartphone, with temporary or permanent codes. The number of contacts is unlimited and sharing is immediate. Fully monitor who visits and when through the App and notifications. It has large capacity to hold key cards or traditional keys. Long life battery is easily replaceable. Durable solid body has a coated surface to protect the hardware and door finish. Works with the free Master Lock Vault eLocks App. The Limited 2 Year Warranty provides peace of mind from a brand you can trust.
