# XUK2AKSNL2T

photo-electric sensor - XUK - emitter - 12..24VDC - cable 2m

#### Main

| -                             |                                   |
|-------------------------------|-----------------------------------|
| Range of product              | OsiSense XU                       |
| Series name                   | General purpose single mode       |
| Electronic sensor type        | Photo-electric sensor transmitter |
| Sensor name                   | XUK                               |
| Sensor design                 | Compact 50 x 50                   |
| Detection system              | Thru beam                         |
| Material                      | Plastic                           |
| Supply circuit type           | DC                                |
| Wiring technique              | 3-wire                            |
| Electrical connection         | Cable                             |
| Cable length                  | 2 m                               |
| Product specific application  | -                                 |
| Emission                      | Infrared thru beam                |
| [Sn] nominal sensing distance | 30 m thru beam need a receiver    |

#### Complementary
