Product discontinuation for tube variants

Dear Customer,

Although product lifetime and delivery period at ams AG are longer than at many other suppliers in the semiconductors industry we are sorry to announce that further production of products in tubes listed on page 2 cannot be supported any longer.

Reason for that is that the total demand for these products has declined to such a level that an economic production can no longer be warranted. We therefore ask for your kind cooperation in the phasing out of the product. To make the phase out as convenient as possible for you, we are pleased to offer the following conditions:

- Last possible order placement: July 31, 2017
- Last shipment: December 31, 2017

LTB orders to be placed in multiples of packing units.

As fully compatible replacements we can offer the same products in t&r.

For any further questions please feel free to contact me.

Best regards,

A handwritten signature in black ink, appearing to read 'D. Gleispach'.

Dr Dietmar Gleispach
ams AG
Director Operations Division EAS
