Product information

Corrected data sheets for EPCOS RM 10 and RM 14 clamps

The material descriptions in the EPCOS RM 10 and RM 14 data sheets (ferrite core accessories) have been corrected: The specification, *made of stainless spring steel (tinned)*, was changed to *made of spring steel (tinned)*. The description in the data sheets now conforms with the actual finish of the products.

There are no changes of the affected products as regards quality, dimensions and reliability, or in their production and quality assurance measures.

Affected products

Ordering code	Type
B65814B2203X000	Clamp RM 10
B65888A2002X000	Clamp RM 14

The data sheets may be downloaded from the product catalog under www.epcos.com/ferrites_rm.
