Gaming Keyboard and Gaming Mouse

The CiT Storm Black Red Backlit Keyboard and Mouse Kit is an LED illuminated gaming keyboard and mouse and is ergonomically designed. With the laser engraved key caps preventing wear and fading, meaning the keyboard will last longer. It is also anti-skid and spill-resistant. The kit has a high-speed response and accurate navigation with on-the-fly adjustable DPI.
This LED backlight kit gives the end user an enhanced gaming experience even in the dark.

Key Features

- **LED illuminated** - It has an LED back light, in 2 colours Red and Blue.

- **Ergonimic design** - Perfectly designed to fit snugly under your palm, the ergonomic shape of the mouse gives gamers the most comfortable gaming experience.

- **On-the-fly adjustable DPI** - Adjustable DPI 1000/1600/2400/3200, with a moving speed ensuring accurate tracking anytime and anywhere.

- **Spill-resistant** - The keyboard has 7 drain holes at the back to protect your keyboard.

- **Responsible and Stable** - High-speed response and accurate navigation.
