### Product Obsolescence Information:

Cypress announces the obsolescence of select products from its portfolio resulting from an internal review and business decision to discontinue support. The affected part numbers are listed in the attached table. Last Time Buy (LTB) and Last Time Ship (LTS) dates are provided for each product. The LTB date denotes the last day on which orders will be accepted; these orders may be scheduled for shipment through the LTS date provided. The part listed as the "Drop-In Replacement" will perform the same task but with improved or revised technology. The part listed as the "Next Best Alternative" is the recommended replacement that may have some features or functions that are different and may require board re-design. The list of affected parts includes two notes:

Note 1: These parts are fabricated from the Aizu Fujitsu Semiconductor Wafer (AFSW) facility located in Aizu-Wakamatsu City in Japan. Fujitsu Semiconductor Limited (FSL) has provided shutdown notice of the AFSW facility due to declining business. Be advised that since this obsolescence is related to a factory shutdown, Cypress may have to close order entry prior to the date listed in the attachment and is therefore important for customers to identify their demand as early as possible.

Note 2: These parts are being immediately closed due to an error in ordering part number creation. Effective immediately, customers should order the Drop-in replacement part with the correct ordering part number.

### Part Numbers Affected: 181

Please see the attached file for a list of part numbers, Last Time Buy dates and Last Time Ship dates.

### Qualification Status:

Recommended replacement parts have been previously qualified, unless specifically noted.

### Sample Status:

Samples of replacement parts are available. Please contact your local sales representative to place sample orders.

**Approximate Implementation Date:**

This change is effective with this notification. See attached listing for specified Last Time Buy and Last Time Ship dates by device.
