What's the benefit of cable management? It's a simple and affordable alternative to running cables through the wall.

## Series

CMK

CMK MINI

CMK MICRO

OmniMount, an innovator of A/V mounts and furniture for more than a quarter century, is the choice of professional installers and the brand most recommended by flat panel manufacturers. The Cable Management Series is the ideal companion to any flat panel install where wires aren't run through the wall. Simply guide wires through the channel and snap on the covers – it's just that easy. With a width of 2.3", CMK MINI can be used for hiding multiple cables.
