This stylish keyboard & mouse combo features design with no annoying wires to get in the way. You can easily connect both of them to a single connecting receiver. This multimedia keyboard has been designed to make access to the frequently used programs easy; it has special keys to access the music control, the calculator and more keys for other frequently used programs.

Features:

- Ultra slim and compact keyboard, with 12 multimedia hot keys, allows you to use it comfortably anywhere
- 800/1200/1600 DPI adjustable mouse
- One receiver for both devices
- Energy-saving technology ensures up to 24 months of batteries work for keyboard and 12 months for mouse
- Batteries included
- Compatible with Windows OS / MAC OS
