Product datasheet Characteristics

TSXFPACC12 9-way female SUB-D connector - black

| | | C |
|---------------------------------------|--|-----|
| Accessory / separate part designation | 9-way female SUB-D connector | |
| Accessory / separate part type | Female connector | |
| Accessory / separate part category | Connection accessories | — y |
| Product specific application | Connection by daisy chaining or tap link | |
| | | - 7 |

Complementary

| Material Polycarbonate Colour Black | Range compatibility | Altivar 71 Lexium 15 Altivar 61 Modicon Premium automation platform | |
|--------------------------------------|---------------------|--|--|
| | | Polycarbonate | |
| Draduct weight 0.04 kg | Colour | Black | |
| Product weight 0.04 kg | Product weight | 0.04 kg | |

Environment

| IP degree of protection | IP20 | |
|-------------------------|-------|--|
| ir degree or protection | IF 20 | |

Offer Sustainability

| Sustainable offer status | Not Green Premium product | - : ! |
|--------------------------|---------------------------|------------------|
| RoHS (date code: YYWW) | Will not be compliant | |
| | Will not be compliant | ת כ מ |

Contractual warranty

| Warranty period | 18 months |
|-----------------|-----------|
