

Change Notice

HB & HB2 Series

Changes to Production for HB Illuminated Pushbuttons & Indicators, HB2 Illuminated Pushbuttons

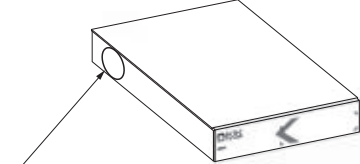

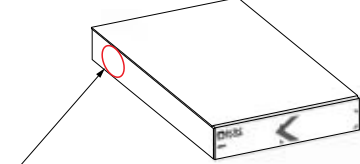

Type of Change:

- Engineering Part Number
- Product Appearance

1. There will be production changes for HB illuminated switches and indicators, and HB2 illuminated switches. The logo will be updated, and the lot number on the switches will have a dot mark above the second digit. The box in which the switches are packaged for shipping will read "PHILIPPINES FACTORY" instead of "JAPAN FACTORY." All of these modifications will apply to standard, custom and approved devices for both series. The standard part numbers are on page 2.

Production Revisions for HB & HB2 Series

	Logo	Lot Number	Shipping Box
Before Changes	Older NKK Logo 	Example of Lot Number with No Dot Mark 74	 "JAPAN FACTORY" printed on side of box
After Changes	Updated NKK Log 	Example of Lot Number with Dot Mark Above Second Digit 7[•]4	 "PHILIPPINES FACTORY" printed on side of box

Notes

There are no changes to HB or HB2 Series dimensions or specifications. The location of logo or lot number on devices, or place of manufacture on shipping boxes, may vary depending on part number. Contact the factory if more details are needed.

2. HB Series illuminated pushbuttons and indicators will have a change on the switch case to include both standard and custom devices. The place of manufacture will no longer appear on the switches. The standard part numbers included in the change are on page 2.

Identification	
Before Change	After Change
"JAPAN" on Switch Case	"JAPAN" on Switch Case Removed

Effective Date

HB and HB2 Series production changes will be effective December 2017.

* Includes all LEDs, cap shapes, types & colors			
HB2 Illuminated Pushbuttons			
HB215SKG03CE	HB215SKG03CE-JB	HB215SKG03CF	HB215SKG03CF-JB

Changes to Production for HB Illuminated Pushbuttons with UL Approval

Type of Change:

- Engineering Part Number
 Product Appearance

3. HB Series illuminated pushbuttons with UL approval will have a change on the switch to include both standard and custom devices. Previously, the UL symbol appeared without a factory code. After the change, the code "080" will appear to the upper right of the UL symbol as illustrated here. The standard approved part numbers included in the change are shown below.

Before Change		UL Factory Code		After Change	
UL Approval without Factory Code		UL Approval with Factory Code		®080	

Notes

There are no changes to dimensions or specifications.
Contact the factory if more details are needed.

* HB Illuminated Pushbuttons with UL Approval			
HB15CKW01/U	HB15SKW01/U	HB16CKW01/U	HB16SKW01/U
* Includes all LEDs, cap shapes, types & colors			

Effective Date

HB Series production changes will be effective December 2017.
