Fits most 7-10-inch tablets

Whether you need a security stand for display, point of sale or business use, CTA Digital's Universal Anti-Theft Kiosk Stand for Tablets will provide the features you need. This stand is made of strong and stylish aluminum with the perfect design to serve as a workstation, kiosk display or retail POS tablet stand. The aluminum enclosure securely grips any tablet, adjusting to fit smaller 7-inch tablets, such as the iPad Mini, or larger tablets like the iPad Air 2 or Galaxy Note 10.1. The stand can tilt to easily adjust the viewing angle and rotate for horizontal or vertical views. The base can also rotate a full 360 degrees to easily switch from register to customer-side transactions. The anti-theft holder grips diagonally and is securely locked closed with the included keys. The large base and solid stand offer stability and can also be secured to a desk or countertop with the included mounting hardware for easy installation and extra security. An elegant all-in-one stylus and ballpoint pen is included and can be conveniently stored in the built-in holder found on the base. The case and bottom of the base are also padded to help protect your device and furniture. Find security and convenience for office, restaurant, retail or any business use with CTA's Universal Anti-Theft Kiosk Stand for Tablets.
