

RoadRunner 525

PCDVRR525

ROCK-SOLID ALIBI!

Always be aware of the situation on the road with the new Prestigio RoadRunner 525! It includes a G-sensor that automatically saves footage when it detects a collision and cyclic recording which will ensure that the recording goes on indefinitely. A Bright 3-inch screen ensures extra visibility for easy navigation and footage playback right away

KEY FEATURES

- **FULL HD QUALITY:** The RoadRunner 525 records quality videos in Full HD 1080p with pure sound and clear images to capture full details of your trip.
- **EXTRA VISIBILITY:** A 3-inch screen provides instant video playback and makes the device efficient for adjusting video resolution, changing video duration for cyclic recording.
- **WIDE VIEWING ANGLE:** 120° wide viewing angle gives you the ability to capture a slightly wider field of view.
- **MOTION DETECTION:** in this mode, video shooting starts only when detecting a new movement in the frame. Consequently, it allows you to save the memory card for a longer video.
- **AESTHETIC DESIGN:** soft touch exterior coating feels great in your hand and provides high resistance to knocks and scratches.
