

ROLINE GOLD 4K2K DisplayPort-DVI Adapter, DP M - DVI F

Manufacturer ROLINE

Manufacturer No. 12.03.3175

Overview:

- If you want to connect a graphic card with Display Port Female to a monitor by using a DVI cable, you need this DisplayPort to DVI adapter
- Connectors: DisplayPort Male, DVI Female
- Max. resolution: 3840 x 2160 (@30Hz)
- Remark: The DisplayPort-DVI adapter is only working in one direction: the DisplayPort plug has to be connected to the source device (e.g. graphic card)

What are the benefits of using Active adapters and converters?

Active products can have a huge advantage when working with long cable runs and video conversion applications. In terms of video converters, active units generally have hardware inside to improve your image.

Specifications
