

Pressure washers

Everything in its place and ready to use

Kärcher's 5 and 6 series units offer the highest levels of performance and operator comfort for those who use their pressure washer regularly. Features include the Variopower spray lance with infinitely variable pressure control, an integral detergent tank with detergent metering system, a high-pressure hose rewriter (Kärcher 550 MS/Kärcher 670 MS) and the self-winding power cable developed exclusively by Kärcher (Kärcher 670). All in all, this makes cleaning jobs around the house, garden and car much easier.
