Wraptor Wire Marking System - Spare Replacement Filter

Part Number:

WRAPTOR-FILTER

OVERVIEW

Keep your Wraptor® Wire ID Printer Applicator clean and in top working condition with this replacement fan filter.

- Package contains replacement filter only

- For use with the Wraptor® Wire ID Printer Applicator

- Accumulated dust must be cleaned from the fan filter to maintain the printer's optimal working condition

- To clean the fan filter, either blow clean air through it or wash it with a mild detergent and allow it to dry
