Product Termination Notification

29 November, 2017

ROHM announces the obsolescence of selected products from its portfolio resulting from an internal review and business decision to discontinue support.

Notification #: 2017-DI112801

Content: **Product Termination of the obsolete line-up**

Products Affected: **1SR154-400 TE25 / TE25A**

1SR154-400 TF TE25 / TE25A

1SR154-600 TE25

Reason: - Unable to keep continuing the manufacturing operation due to the critical unprofitable status.

Request to the customer: **Terminate any orders by the end of December 2018. (Even before December 2018, any orders without prior official share agreement from ROHM cannot be supported due to the capacity constraint.)**

We regret the inconvenience and impact this notice may cause. Your understanding and assistance for us to help you minimize the impact of this product termination on your company would be highly appreciated.
