LW Series

Changes to Identification for LW3021A

Type of Change:

- Engineering Part Number
 Product Appearance

There will be revisions to identification on the high capacity rocker LW3021A with the neon lamp. The factory name and place of manufacture will no longer appear on the bottom of the switch. These modifications will apply to LW3021A, the standard part number, or any custom variation of the part number.

Changes for LW3021A
Rockers

Before Changes	After Changes
<p>Factory Name and Location on Bottom of Switch Case</p>  <p>"NIKKA I" "MADE IN JAPAN"</p>	<p>Factory Name and Location Removed</p>  <p>"NIKKA I" Removed "MADE IN JAPAN" Removed</p>

Notes

There are no changes to the switch's dimensions or specifications. Contact the factory if more details are needed.

Effective Date

Changes to the identification on LW3021A switch case will be effective March 2018.
