

EAN	4013288034281	Dimension:	25x7x7 mm
Code:	05056712001	Weight:	4,3 g
Article-No.		Country of origin:	CZ
		Customs tariff no.:	82079030

- Suitable for Pozidriv
- Particularly hard for semi-hard materials
- BiTorsion zone to absorb peak loads
- 1/4" hexagon drive (Wera connecting series 1)
- "Take it easy" Tool Finder: colour coding according to profile and size

BiTorsion bits for Pozidriv\* screws with elastic Torsion zone - where kinetic energy is diverted from peak loads - and softer BiTorsion zone to prevent the bit tip from twisting under peak loads. This greatly extends the product service life. This provides the best possible durability together with the matching holder. Extra-hard; 1/4 hexagon, suitable for holders as per DIN ISO 1173-D 6.3. \* Pozidriv = registered trademark of European Industrial Service Ltd."
