- L-keys for hexagonal socket screws
- Hex-Plus allows socket head screws to live longer
- High corrosion protection thanks to chrome-plating
- L-keys are quickly to hand thanks to their size markings
- Wear-resistant clip material for enhanced durability

High quality L-key set for hexagonal socket screws. Hex-Plus offers a larger contact surface within the screw head. This reduces the notching effects to a minimum and almost completely eliminates the risk of destroying the screw recess. The precise chrome-plated design ensures high corrosion protection; with extra-long arm.
