- Direct attachment of special Zyklop sockets
- Small return angle of 6° for precise working
- Thumbwheel for rapid fastening
- Simple left/right switchover
- Ideal for confined working situations

Zyklop Mini 2 for the direct take-up of special Wera Zyklop sockets. Combines filigree design with incredible robustness. For particularly rapid screwdriving even in confined working spaces. The Zyklop Mini 2 is the preferred choice whenever fastening with a power tool or conventional hand tool is impossible due to a lack of space.
