

Announcing Obsolescence of Select 1GT Hall Effect Sensors

Summary

Due to the obsolescence of various components used in 1GT Hall Effect Gear Tooth sensors, Honeywell Sensing & IOT will obsolete the listings below effective July 31, 2018. Honeywell values its customers and realizes that this product obsolescence may require new platform validation. We will work with customers to make this a smooth transition.

Important dates to note are:

- February 28, 2018: Last time buy. No orders will be accepted after this date.
- July 31, 2018: Final Delivery. Honeywell will not deliver parts after this date

Affected Listings

1GT101DC
1GT105DC

Action

Please inform any affected customers about this obsolescence.
