Just plug, type and print

Finally, printing a label is fast and easy! With the LabelManager™ PnP label maker there’s no software to install – just plug it into your PC or Mac®, and you’re ready to create great looking labels as fast as you can type! Plus you can customise your labels using the fonts and graphics on your computer.

Features

• Connects via USB to your PC or Mac®
• No software to install – built-in software pops up on your computer screen, ready to use
• Customise your label with any fonts or graphics on your computer
• Lithium-ion battery recharges via USB connection – no power adaptor or AA batteries needed
• Compact, streamlined design has minimal footprint
• Easy to take with you and connect to any laptop
• Also includes free download of DYMO Label™ v.8 Software – print logos, batch labels from database files, and much more
• Uses 6 mm, 9 mm and 12 mm DYMO® D1 labels

Package contents

DYMO® LabelManager™ PnP label maker, 12 mm starter D1 label cassette, USB cable, Li-ion battery pack, quick start guide and warranty card and graphics on your computer.
