

# 12 21 180

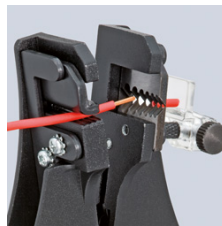

## Insulation Stripper with adapted blades

- With replaceable blades for 4 or 6 different conductor cross-sections
- Leave wire undamaged thanks to precision-ground blade shapes, even multi-stranded conductors are stripped gently
- During stripping, the wire is held firmly by clamping jaws
- With length stop for constant stripping length during repetitive work
- A spring leads the stripper back to the starting position
- Pliers body: aluminium
- Blade: special tool steel, oil-hardened
