

Step 7

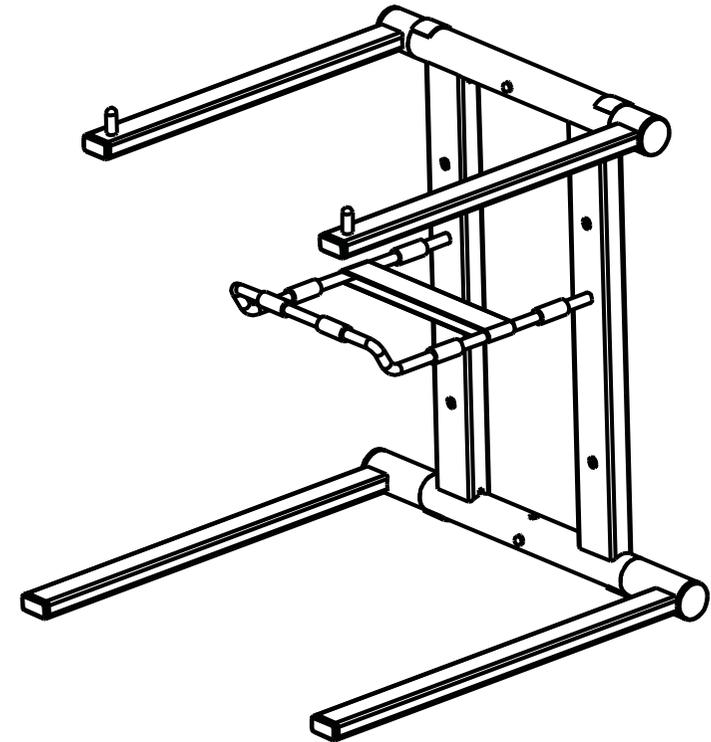

For your laptop and other equipment, built for the professional. Second shelf designed for sound card, hard drives or small mixer. Unique portable design, allows you to fold everything when you are finished and store in the reusable bag.

Thank you for purchasing the PYLE PLPTS35 laptop stand

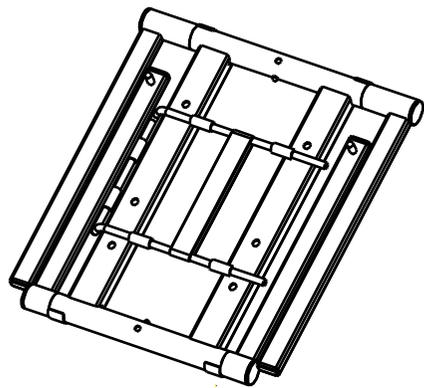

This user manual will help you to assemble this product safely & quickly, so please spend a few minutes to read through this assembly information.

■ *laptop table stand*

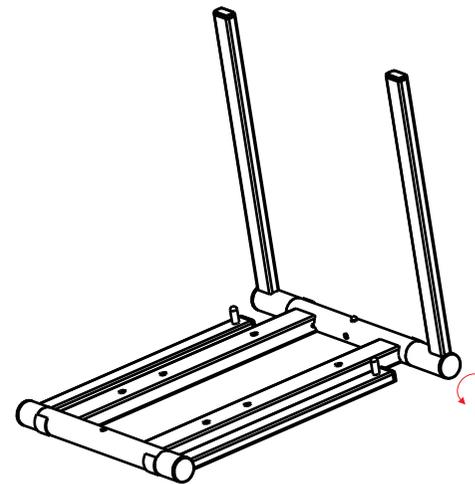

PLPTS35

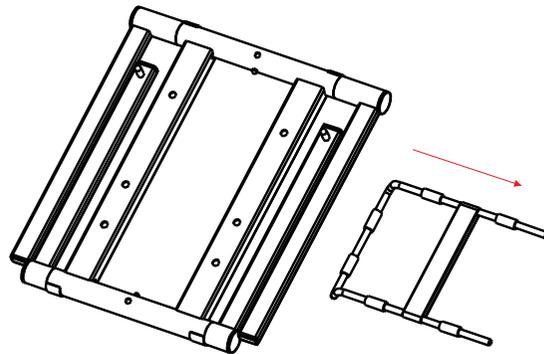

Step 1

Open the carton and take out the stand from the bag.

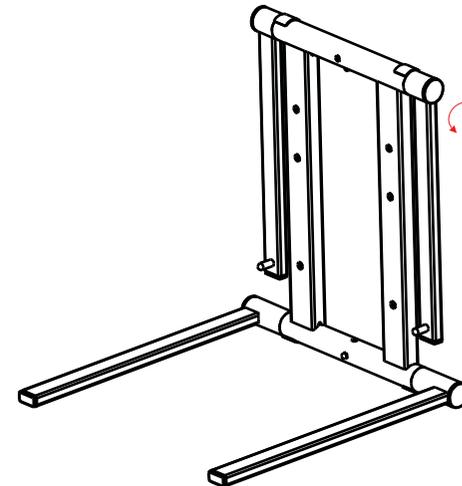

Step 4

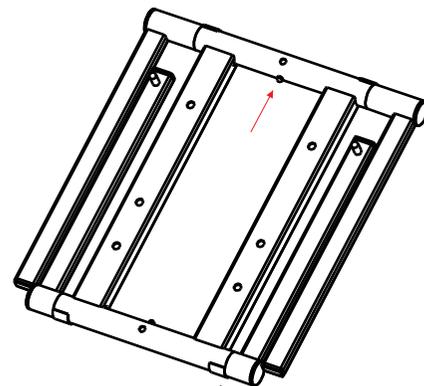

Step 2

You will find the main stand with a second shelf made of solid steel rod.

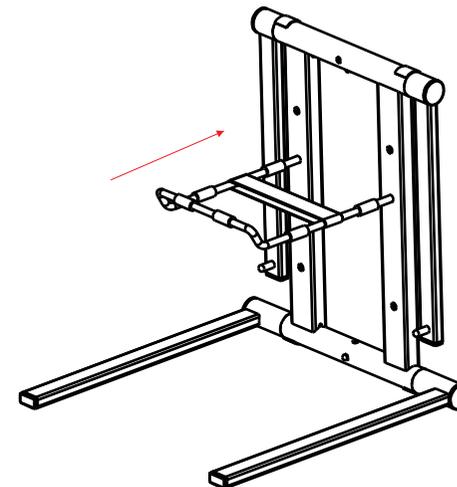

Step 5

Do the same with main shelf, until it locks into the open position.

Step 3

Push in the spring pins and open the stand, until the pins come out of the other holes. The legs are then locked into position.

Step 6

Do the same with main shelf, until it locks into the open position.
