WHY HEROES TRUST STREAMLIGHT.

IT ALL COMES DOWN TO PERFORMANCE. PERIOD.

People who depend on their flashlights - often for their lives - count on them to perform every time. The conditions don't matter, whether in the freezing cold, scorching heat, desert dry conditions or rainforest humidity, some lights may have even been abused, dropped in water, or left in icy snow, no matter what, Streamlight products stand up to the worst conditions.

Streamlight users know that our lighting tools deliver the best performance for any task at hand. Whether it's lighting up a whole room or long range lighting, scene lighting or task lighting or even specialized lighting such as Infra-Red or Ultraviolet illumination, Streamlight has the right tool for the job. And when size and run time are essential, we offer several products that shine brighter and last longer.

BEHIND THE PERFORMANCE

A lot goes into bringing you lights that deliver this kind of performance. It begins with YOU. We listen to our customers and learn what they need. Understanding how lights are used in different situations leads to innovative designs and game-changing technologies. After we've met the challenges involved with designing and engineering a light, we put it through the most demanding industry tests to ensure the highest levels of performance and dependability.

All types of people depend on our products to perform, increase productivity and to even save lives. So whether you're in combat, serving and protecting the community, fighting fires, involved in search and rescue, working on utilities, camping, plumbing, auto repair or just lighting your home in a power failure, you can trust Streamlight.

PORTABLE SCENE LIGHT

HL SERIES

The Portable Scene Light provides rapid deployment onsite, and it goes anywhere. It features a 90° swivel neck to shine light into the most out-of-the-way places. A telescoping pole extends to 72" within seconds. Three levels of lighting and substantial run time last through several shifts. Its unique diffuser lets you select a flood or spot beam in all three levels. Designed to adapt to tight spaces, it's also rugged enough to withstand rough terrain. Regulated light provides consistent output in between charges. Use it to light the way to your work site and set it up quickly to illuminate the entire area.

PORTABLE SCENE LIGHT

COMPACT RIGHT ANGLE LIGHT

HELMET/RIGHT-ANGLE MULTI-FUNCTION FLASHLIGHT EXTREMELY VERSATILE **VANTAGE 180**

Use as a right-angle light;
forward facing spot light
with downcast light

VANTAGE® 180

Giving you the ultimate versatility in a firefighter's light, the Vantage 180 goes instantly from a helmet light to a handheld light to a right-angle light. So wear it, hold it, clip it, or even hang it!

Rear LED Taillight changes from blue to white: Blue LED for helmet mount use and visibility in heavy smoke; White LED for a downcast flood light to see what's at your feet; switches from blue when head is at a 90° angle.

Integrated stainless steel multi-function clip for a variety of attachment methods and mounting positions. Turnout gear attachment hook. IPX7 waterproof to 1m for 30 minutes; 1m impact resistance tested.

STREAMLIGHT CARES:

THE PRODUCT THAT **SUPPORTS CAUSES THAT MATTER.**

Congress created the National Fallen Firefighters Foundation to lead a nationwide effort to honor America's fallen firefighters. Since 1992, the non-profit foundation has developed and expanded programs that fulfill that mandate. Their mission is to honor and remember America's fallen fire heroes and to provide resources to assist their survivors in rebuilding their lives. For more information, visit www.firehero.org.

By purchasing this product you are helping to make a difference in the rebuilding of the lives of surviving families and affected co-workers of law enforcement officers killed in the line of duty. In addition to rebuilding lives, C.O.P.S. provides training to law enforcement agencies on survivor victimization issues and educates the public of the need to support the law enforcement profession and its survivors. For more information, visit www.nationalcops.org.

The Breast Cancer Research Foundation® is an independent 501 (c) (3) not-for-profit organization whose mission is to achieve prevention and a cure for breast cancer in our lifetime by providing critical funding for innovative clinical and genetic research at leading medical centers worldwide, and increasing public awareness about good breast health. For more information, visit www.bcrfcure.org.
