Wharfedale

PRODUCT

Top features:

- Subscription-free TV with Freeview HD
- Check what's on with the 8-day program guide
- Save your favourite channels and find them in an instant

Subscription-free TV

The Wharfedale Freeview HD Set Top Box offers over 70 Freeview channels, 15 HD channels and 30 radio channels to enjoy, so you'll never be stuck for entertainment. With the included HDMI cable it's simple to connect to your HDTV.

Check what's on

With the program guide you'll be able to browse what's coming up over the next eight days and set reminders so you won't miss your favourite shows.

Save your favourite channels

You can store a list of the channels you use most often so you can jump straight to them without channel hopping.
