Keystone Outlet Box

Product Overview

An attractive surface mount housing one or two keystone outlets. The mount has a slick, compact design measuring at 560 x 560 x 260 mm; which can be used in a multitude of applications requiring surface mounted network outlets, including P.O.S, Wireless Access Points, smart TV cabling, Home and small office wiring. The keystone fitting allows for the use of standard Cat 5e or Cat 6 outlets. While keystone aesthetics are available to match the outlets (white/black). With the Connectix Keystone Outlet Box being manufactured in-house with carbon filled plastic (ONYX) it creates a low cost, highly durable product, that has quick installation turnaround.

Features and Benefits

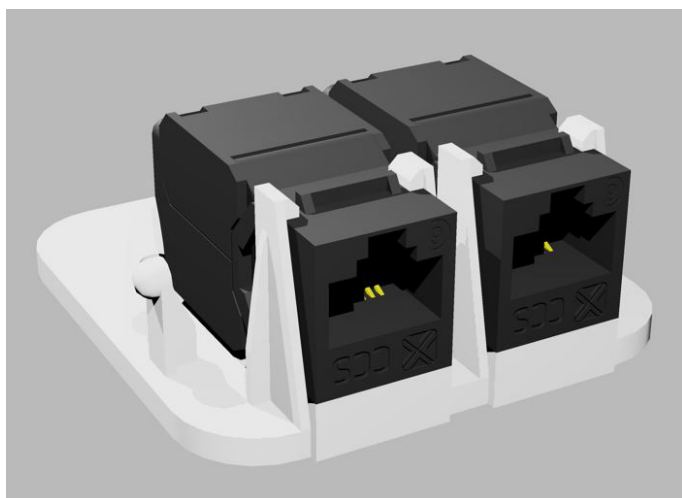

- Cable entry knock-outs for top or side entry
- Knock-out allows for one or two part application
