Minor

Discontinuation

**Change Affects:**

Form

Fit

Function

Reliability

N/A

---

**The following applies to all change classifications (Major, Minor, Discontinuation)**

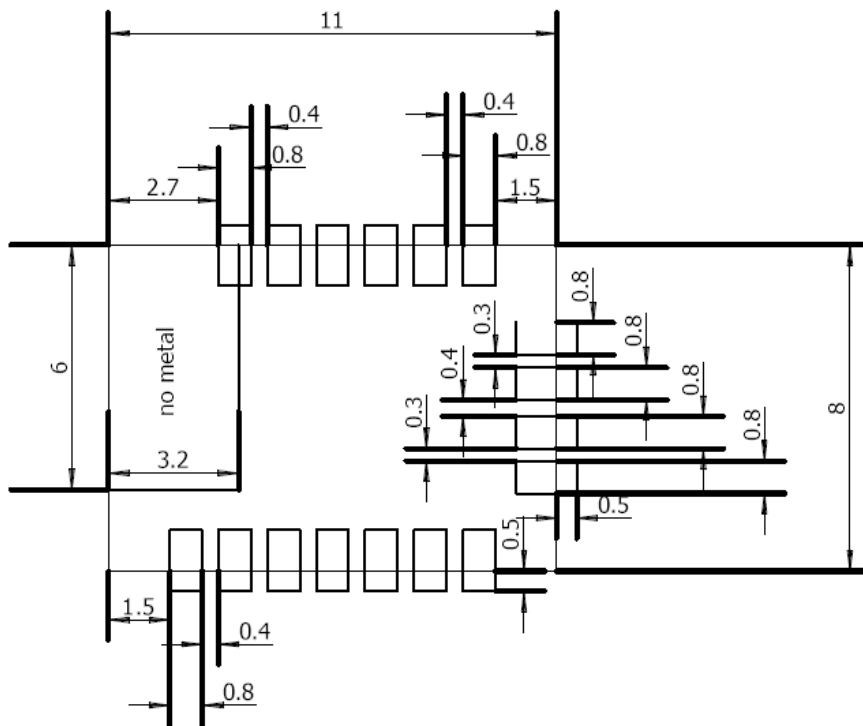

---

**Description of change:**

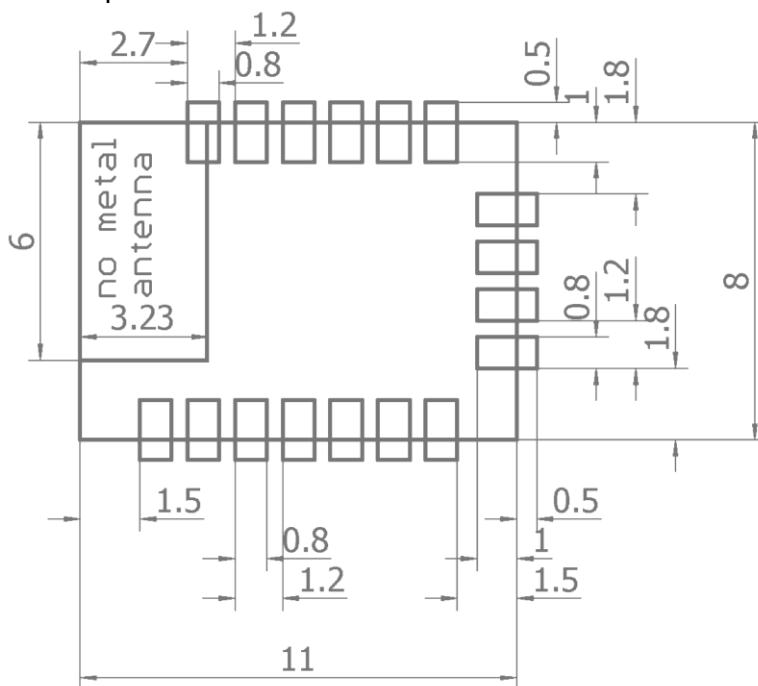

Change of documentation concerning footprint.

Due to a type error the recommended footprint differs about 0.1mm from the formerly recommended one. For future designs we recommend to follow the new drawings. Designs based on the formerly footprint may not be changed as the old footprint worked without errors.

New footprint:

Old footprint:

**Reason for Change:**

Type error in documentation.

**Affected Product(s):**

1. AMB2621, AMB2621-1, AMB2621-TR, AMB2621-1-TR, AMB2621-DEV, AMB2621-1-DEV
